Please tell us how much of the loan you would like to repay using the following options

Residential mortgages: you can borrow on an interest only basis up to 60% LTV. We'll also consider 75% LTV if the amount you want over 60% is on repayment. We only accept loans over 75% LTV on a repayment basis. We only accept the sale of this mortgaged property as the repayment strategy. This will be verified by an underwriter to ensure that it's credible.

Buy to Let mortgages: you can borrow the entire amount on an interest only basis, subject to our affordability criteria. It is your responsibility to ensure that you have adequate means to repay the capital at the end of the mortgage term.
